Rick

I wanted to touch base with you concerning the annual letter that needs to be mailed out to the beneficiaries of the Trust and year end dividend payments. Please forward us a copy of the letter before it is mailed.

This year Lester will be sending out a letter to the beneficiaries and checks for the class A dividend.

I will forward you two checks for \$1000 each for the class B dividend for Lester and Sally. Should I make these checks payable to CN bank?

Should you have any questions feel free to reach me at 203 234 6472.

Thank you,  
Wendy
